

Car Riders Reminders and Helpful Tips

To insure the safety of all our students, it is imperative that you follow the rules.
Thank you for your cooperation!!

NO cell phone use while vehicles are loading, unloading or moving.

Morning

- Please use the car rider lane during the hours of 7:45- 8:10. Do NOT let children out of the car prior to the 7:45 a.m. bell, when supervision begins.
- No cars may enter the front bus lane during bus loading and unloading times.
- Remember the speed limit in the car rider area is 5 m.p.h.
- Always stay in line and pull all the way up to the front of the drive so we can unload students in a safe and efficient manner.
- Children should get out of the car curbside, unassisted, when an adult gives the OK. This will expedite the unloading process.
- Children need to walk as close to grass as possible once they are out of the car-please do not walk next to the road.
- Students should **never** run along beside a car.
- Children should go directly to classroom or to get their breakfast in the cafeteria.
- Remember no left turns from New Hope into the Car rider lanes-this will help to insure a safe flow of traffic.(Signs posted)
- Once the bell rings parents will need to drive to the front of the building, park and come in to check in/sign in their student.
- Official Harbins issued Car riders numbers should be displayed in front window each day until after your child is in the car.

Afternoon

- **Please plan to pick up your child between 2:45 and 3:05.** Transportation changes should be sent to the front office prior to 2:15 p.m. each day. You may Fax these changes to the office, 770-682-4285. Do not expect to make changes at car riders.
- Students will wait for your arrival in the gym and then they will be dismissed with supervision to your car.
- Official Harbins issued Car riders numbers should be displayed in front window of your vehicle at all times. Duplicate numbers are available in the front office from Mrs. Kirkland.
- Please make sure your child remembers his or her car rider number. (You may write the number on their book bag if that helps)
- Please be aware that afternoon car riders for the first two weeks of school will take extra time as we are establishing our routine.
- Remember no left turns out of car riders....this will insure a safe flow of traffic. (Signs Posted).
- Parents should not conference with teachers in the car rider line.
- Thank you for your patience to insure that this is a safe environment for everyone.
