

# Gift Cards= more learning supplies for your student

## Welcome to Harbins Elementary PTA Scrip Program

When you do your weekly grocery shopping, go out to eat, fill your car with gas, go to a movie, shop online, drug stores, book stores, home improvement, clothing shopping, and of course, Christmas shopping, all of your purchases can benefit our school!

You will NOT pay any more out of pocket than what you are spending on your purchases. Instead of using your cash, debit, or credit card, you purchase a gift card from us ahead of time and then use it as cash to make your purchase! When you do, Harbins Elementary will get a percentage returned to the school to help provide more learning supplies and programs for our students.

We are very excited to partner with United Scrip to enhance learning at Harbins. Please see the attached order form for all the companies that are included in this program. Please check the school website [www.harbins.org](http://www.harbins.org) for turn in dates and order forms. Happy shopping!

Thank you again for supporting our school! If you have any questions please contact Kelly Barfield, Harbins Fundraiser Chairperson @ 770-822-3075
