

Harbins Elementary Science Fair

Dear Parents and Students,

Harbins is excited to sponsor a school wide Science Fair. Our objective is to involve students, kindergarten through fifth grade, in exploring the scientific method through hands on discovery.

Please complete and return the bottom portion to indicate your intent to participate in this experience. Retain the top portion as a quick reference of dates when planning your science fair project. Your child will receive a handbook to help complete the requirements of the science fair.

We look forward to seeing and sharing all of the projects. Please remember this is an “at home” project. The majority of the work will need to be completed and facilitated at home.

January 5th **Intent to Participate forms due to classroom teacher**

January 6th **Handbooks passed out to participants**

February 13th – 15th **Science Fair Projects Due**

February 23rd **Science Fair and Social Studies Fair
6:30-8:00 pm**

Please return Intent to Participate form to your Classroom teacher by: **Thursday, January 5, 2012**
