

Harbins Elementary Social Studies Fair

INTENT TO PARTICIPATE FORM

Dear Parents and Students,

Harbins is excited to sponsor a **Social Studies Fair** for fourth and fifth graders. Our goal is to involve students in exploring the social sciences with topics and questions that interest them.

Please complete and return the bottom portion to indicate your child's intent to participate in this experience. Keep the top portion as a quick reference of dates when planning your project. Your child will receive a packet to help complete the requirements of the social studies fair. Information about the fair is available for download at the Harbins home page: www.harbins.org/home.html.

We look forward to seeing and sharing all of the projects. Please remember this is an "at home" project. The majority of the work will need to be completed at home.
