

HOORAY, HOORAY, IT'S YOUR BIRTHDAY!

Celebrate your child's birthday at school with an ice cream or slushy treat for the class. This will save you the time and the hassle of preparing or purchasing a treat to send in.

Simply fill out this form and send it in to your child's teacher on Monday of the week of your child's birthday with the enclosed payment of \$15.00. During your child's lunch, we will pass out Rainbow Freeze ice cream or slushy to each student in your child's class and lead the class in a "birthday cheer" for your child. Just in case your child has a birthday over the summer or breaks, pick a special day for us to celebrate your child's birthday during the school year.
