Box Top Contest

Our second and final Box Top contest of the year begins on January 6th and ends on February 21st.

WE Give Books Program

February is a grand month for giving! We are creating a Win-Win opportunity for students by working with wegivebooks.org. The book slip that you've been given has a place for your name, teacher's name, and the number of books you've read at wegivebooks.org. It also has a number line, so you can mark off each time you read. This online site enables students to read a book and then, when finished, the company sponsoring this site donates a book in our name to an organization listed on the site. Our goal for this year is to donate 10,000 in Harbins's name. If each student reads just 10 online books by February 29th, we'll reach our goal. First, students must log-in for us to get credit for the donation (log-in - harbins, password - learn). Next, select a book from over 150 titles and read it all the way to the end.
